The Debtors are filing their Monthly Operating Reports (“MOR”) solely for the purpose of complying with the monthly operating requirements applicable in the Debtors’ Chapter 11 Cases. The financial information contained herein is presented on a preliminary and unaudited basis, limited in scope and, as such, has not been subject to procedures that would typically be applied to financial statements in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) and does not include all of the information and footnotes required by U.S. GAAP. The MOR should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of any of the Debtors or their affiliates, as the results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future.
